Title People Milling About on a Lawn

Date about 1894

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin silver emulsion on plastic

Description View of a group of people milling around on a large lawn, in what is probably Manchester, Connecticut. There are train tracks in the foreground and two large houses in the background, on the far side of the crowd. There are a few tall, leafless trees dispersed in a row just in front of the houses.
