Basic Detail Report

Title Crew Boat in Water

Date 1916-1919

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin silver emulsion on plastic

Description View of one end of a crew boat in a body of water. Only four rowers, all young men, are visible. They are facing towards the camera, indicating that the boat is moving into view. There are several sailboats in the distance, near the shore. There are buildings along the shoreline.

Dimensions Primary Dimensions (height x width): 2 1/4 × 3 1/4in. (5.7 × 8.3cm)

Sheet (height x width): 2 3/8 × 3 1/2in. (6 × 8.9cm)
