

Basic Detail Report

Title Asylum and Main Street

Date 1969

Primary Maker Richard Welling

Medium Drawing; black and colored inks on paper

Basic Detail Report

Description Drawing of the buildings along Main Street, Hartford, Connecticut,

with the Hartford-Aetna Bank Building on the corner of Asylum Street and J.J.

Newberry next to it on the right. Pedestrians are shown on the sidewalk and cars

are parked on the street. On the back is a drawing of Main Street looking west,

with Center Church on the left and local businesses in the buildings on the right.

In the background is Bushnell Tower. There are automobiles and a bus on the

street.
