

Basic Detail Report

Title Greenfield Hill, Fairfield.

Date 1834

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description Rough sketch; the small building with a cupola on the left is the

Academy. Two houses and some trees are roughly indicated to the right.

Between them, Long Island Sound is visible in the distance; inscriptions indicate

the locations of "Fairfield" and "Southport". Notes on the upper portion of the

drawing may refer to the artist's itinerary or to projected illustrations for his

book
