Basic Detail Report

Title Hebron.

Date 1835

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description A broad road or green lined with churches and houses. The gothic building on the left is the Episcopal Church, which was built out of brick. The building to the immediate right of the Church is "Governor [John Peters house." "Stone walls" line the road in the foreground; the trees on the right are "Apple trees." The steeple at the end of the road belongs to the Congregational Church

Dimensions Sheet (height x width): 7 1/2 x 9 1/16in. (19 x 23cm)
