Basic Detail Report

Title Derby, south east view.

Date 1835

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description View of Derby Landing from the New Haven Road. The road leads down a steep hill with buildings on the slopes on either side. The Leavenworth Bridge across the Housatonic River is visible in the left background. Part of Smithville is visible on the elevated promontory to the right of the bridge

Dimensions Sheet (height x width): 7 7/8 x 10 1/4in. (20 x 26cm)
