Basic Detail Report

Title New Britain, North East view.

Date 1835

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description Distant view of New Britain from the North East. A ledge in the foreground is identified as "Traprock." Beyond, a "canal" flows through fields with a small orchard of "Apple trees." The village includes large industrial building, houses, and a large church at the right.

Dimensions Primary Dimensions (overall height x width): 7 1/2 x 10 1/4in. (19 x 26cm)
