Basic Detail Report

Title West view Somers.

Date 1835

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description A view down the main street of Somers. "Mountains" can be seen in the distance and "Elm" trees are noted along the street. A detail in the upper right shows the Methodist Church surrounded by a "picket" fence. At least one tavern sign is evident in front of a large "brick red" building on the left. Barber notes a "post office." Other houses or businesses are visible.

Dimensions Primary Dimensions (overall height x width): 5 1/8 x 9 1/16in. (13 x 23cm)
