Basic Detail Report

Title Churches in Huntington.

Date 1835

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description View of central part of Huntington. Two churches stand face to face, the "Congregational," church on the left bordered by a "stone wall" and the new "Episcopal" church on the right with a "Board fen[ce]." A central street, trees, and dwellings are also evident. The "School Hous[e]" and "Town Hous[e]" are also noted. On the top portion of the drawing reference is made to "2 woolen factories" in the area.

Dimensions Primary Dimensions (overall height x width): 6 5/16 x 7 7/8in. (16 x 20cm)
