

Basic Detail Report

Title Front of governor Smith's house, Sharon.

Date 1835

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description The residence of Governor John Smith in Sharon with a "stone" wall in front. The "Stone" residence is sided by trees; a "willow" tree to the right of the house is barely indicated. An architectural detail, possibly of a window, is about the main drawing.

Dimensions Primary Dimensions (overall height x width): 6 11/16 x 7 7/8in. (17 x 20cm)
