Basic Detail Report

Title New Britain.

Date 1835

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description View of New Britain from the north. Beyond fields, the village appears as a dense cluster of houses and industrial buildings. A large two-story building in the left foreground is identified as a "Tavern." A large church is to its right. A large industrial building in the center is the brass factory of "North & Stanley." The Hanging Hills of Meriden are in the background.

Dimensions Primary Dimensions (overall height x width): 7 1/2 x 9 13/16in. (19 x 25cm)
