

Basic Detail Report

Title North Haven.

Date 1836

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description Separate sketches of the Episcopal and the Congregational Churches. On the left, the Episcopal Church is a gothic building with a square tower, made of "Wood" and "Brick." On the right is the Congregational Church, a two-story "Brick" building with a tower and dome, erected in 1835. A "picket" fence is to the right with a "corn" field behind it.

Dimensions Primary Dimensions (overall height x width): 7 1/16 x 9 1/16in. (18 x 23cm)
