# Basic Detail Report

**Title New Britain.**

Date probably 1836

Primary Maker John Warner Barber

Medium Drawing; ink on paper

Description Distant view of New Britain from the north west. The Methodist Church is the plain building with four windows in the center, with the large four-story brass factory of North and Stanley behind it. The mountains in the distance are beyond the Connecticut River.

Dimensions Primary Dimensions (overall height x width): 3 9/16 x 4 3/4in. (9 x 12cm)
