Title Covered Bridge

Date before 1974

Primary Maker Richard Welling

Medium Drawing; colored markers on paper

Description Drawing of a covered bridge, probably the West Cornwall Covered Bridge in West Cornwall, Connecticut. The bridge is depicted from an angle, with the left side, the front, and part of the interior right side visible. There is a tree in the center of the drawing, obscuring part of the side and roof of the bridge. The river it spans is on the left, and trees are in the background.
