Title Miss Porter's laundry, Farmington.

Date 1880-1890

Primary Maker Northern Survey Company

Medium Photography; albumen print on paper on cardboard mount

Description Three-story industrial building. The first story appears to be brownstone. The second story is clapboard and the third is shingled. There is a small porch. Several barrels are on the left side of the building and beside the small one-story building beside it. There is a large woodpile at the right beside another small building. A woman and a man are in front of the large building. The man appears to be African American. There is a split rail fence in the foreground. Notes on back: "Miss Porter's Laundry" "Farmington Laundry."
