Basic Detail Report

Title D. Holcomb family, probably Burlington.

Date 1880-1890

Primary Maker Northern Survey Company

Medium Photography; albumen print on paper on card

Description A woman sits in a rocking chair with a dog at her feet and a small child, probably a small girl beside her. To her right an older girl wearing a pinafore is seated in a chair with a small boy and a small child, probably another girl, in a plaid dress, beside her. In the background is a two-story house with a one-story addition at the left. The front and side doors have latticework trellis surrounding them. There is porch on the one-story addition and a picket fence is at the right.

Dimensions Primary Dimensions (overall height x width): 6 5/16 x 8 11/16in. (16 x 22cm)
