Description Two elderly men and two women in front of a small center-chimney house. One of the women is wearing an apron. The other is wearing a plaid blouse and skirt. The door of the house is painted in contrasting colors. There is a well in front of an outbuilding in the left background and a picket gate (?) in the stone retaining wall in the foreground. A rain barrel is at the right corner of the house. Flowering plants (possibly peonies?) are planted in front of the house.
