

Basic Detail Report

Title C. McNeary family, South Windsor.

Date 1880-1890

Primary Maker Northern Survey Company

Medium Photography; albumen print on paper on cardboard mount

Description Man driving a wagon drawn by two horses. There is a barrel in it. A woman stands by a gate in a fence. An older man and a girl are in the foreground. A boy (?) is seated on the ground holding a small dog or cat. The ground is covered with fallen leaves. The house is a large two-story center-chimney Colonial with an elaborate pediment over the door and lintels over the windows.

Dimensions Primary Dimensions (overall height x width): 6 5/16 x 8 11/16in. (16 x 22cm)
