Medium Photography; albumen print on paper on cardboard mount

Description Boy in knickers standing beside tricycle and woman with infant at second-story porch window of Italianate house with shutters.. Clapboard house has flat roof, wide roof overhang with decorative brackets and rectangular windows in cornice. Two porches with banister railings and lattice bases on right side of house. The rear porch appears to have clothing hanging. A large dog is behind small bench by tree and in front of two tree stump pedestals with shallow pans on top. In front of rear porch is tripod stand with hanging kettle and a table with potted plants. Far right is field with fence. In front of house are trimmed evergreen bushes, potted plants and a picket fence. Left background is a clapboard house behind a stone wall.
