Basic Detail Report

Title Charles Hoffmann family, Litchfield Station.

Date 1880-1890

Primary Maker Northern Survey Company

Medium Photography; albumen print on paper on cardboard mount

Description Family in front of two-story clapboard house with louvered shutters. Man stands at left side of house with bowler hat behind a flower garden. Two women sit on dirt path with two children and three girls. One girl sits in rocking chair. Tall narrow trellis with vines leans on right side of house. To the right of trellis is a bench with four metal pans; underneath is wood bucket. Behind house to the right is a two-story vertical sided barn and outhouse. Between house and barn is a woodpile.

Dimensions Primary Dimensions (overall height x width): 6 5/16 x 8 11/16in. (16 x 22cm)
