

Basic Detail Report

Title Construction Phases of Modern Building

Date 1986

Primary Maker Richard Welling

Medium Drawings; black ink on paper

Description Four drawings depicting different phases in the construction of an unidentified modern building. Two of the drawings depict the building during construction, with workers building the roof. A third drawing depicts the finished building, and the final one shows the finished building in greater detail.

Dimensions Sheet (height x width): 14 x 17in. (35.6 x 43.2cm) and smaller
