Title City Place Construction, Hartford, Connecticut

Date 1982

Primary Maker Richard Welling

Medium Photocopy; black toner on paper

Description Photocopy of a drawing of the construction of City Place in downtown Hartford, Connecticut, from an elevated perspective. The structure, with about 20 floors completed, is over halfway finished. Two construction

cranes are at work on top of the building, with a two others at what appears to be street level on either side of the building. Construction workers and materials are depicted on various floors of City Place and on the ground. Other Hartford buildings surround the site, and pedestrian and automobile traffic is pictured.
