

Basic Detail Report

Title Hartford Civic Center Construction

Date 1972

Primary Maker Richard Welling

Medium Photocopies; black toner on paper

Description Photocopies of drawings of early construction of the Civic Center in downtown Hartford, Connecticut. Both reproductions show part of the building's frame, with construction workers on site. In the second one, there are workers pictured raising the roof of the building. Other downtown buildings are visible in the background.

Dimensions Sheet (height x width): 9 1/4 x 11 3/4in. (23.5 x 29.8cm)
