Basic Detail Report

Title Construction site, Norwich

Date 1911

Primary Maker Unknown

Medium Photography; gelatin silver rint on paper

Description Eight men in jackets, ties and hats standing at construction site on wood form, possibly a foundation with what is probably a drainage pipe supported over water. Behind the men ground has been cleared and stones piled at left. At top of hillside on left is a clapboard shed and group of three women.

Dimensions Primary Dimensions (overall height x width): 6 5/16 x 8 1/4in. (16 x 21cm)
