Basic Detail Report

Title Chapin plane factory: women at work benches, Pine Meadow (New Hartford)

Date about 1890

Primary Maker Unknown

Medium Photography; albumen print on paper on cardboard mount

Description Group of women seated at a workbench in an industrial interior, apparently operating machinery. Most wear aprons over long skirts. A man in overalls and another woman stand at the right. At far left, another bench with a vise on it runs along the wall beneath a row of windows. Pipes, probably gas pipes, run along the ceiling.

Dimensions Primary Dimensions (overall height x width): 6 5/16 x 8 1/4in. (16 x 21cm)
