Medium Serigraphy; black printer's ink on paper

Description Screen print of a drawing of historic buildings in Hartford,

Connecticut, probably on Lewis Street or Trumbull Street, with the tops of

Basic Detail Report

Connecticut National Bank and One Financial Plaza in the background. On the right is a building with a fire escape and on the left is a building with a fence around it and a gate at the end. In the midground there are two low-rise buildings, one of which is constructed partly of stone or irregularly-shaped bricks.

Dimensions Sheet (height x width): 18 x 14in. (45.7 x 35.6cm)
