Medium Drawing; black ink on paper

Description Drawing of low-rise three-story apartment buildings on Owen Street in Hartford, Connecticut, in a variety of architectural styles. They all have low stoops. The first two buildings on the left feature decorative brickwork around the windows, awnings over the first- and second-floor windows, and barrel tiles on the portion of the roof that is visible. The second two buildings feature quoins around the windows and rounded elements on the roofline. The last building features two peaked gables and decorative brickwork.
