Basic Detail Report

Title Bulkeley Bridge Construction: Laying Waterproofing, Hartford, August 6, 1907

Date 1907

Primary Maker Unknown

Medium Photography; gelatin silver print on paper on cardboard mount

Description Group of men in work clothes spreading hot tar or asphalt from a bucket on the surface of the bridge. One man wears overalls. All wear hats. The man on the right appears to be African American. Wooden beams are piled beside the granite side of the bridge. The base of a large piece of equipment, probably a crane, is at the left. A hook dangles from a chain in the center.

Dimensions Primary Dimensions (overall height x width): 7 7/8 x 9 13/16in. (20 x 25cm)
