Basic Detail Report

Title Elderly African American woman with a child, Norwich

Date about 1885

Primary Maker Unknown

Basic Detail Report

Medium Photography; albumen print on paper on cardboard mount

Description An elderly woman is seated beside a small round table. She holds an infant in a long white gown, probably a christening gown. Both the woman and the baby appear to be African American. A flower arrangement is on the table with vines extending to the floor.

Dimensions Primary Dimensions (overall height x width): 7 7/8 x 4 3/4in. (20 x 12cm)
