Basic Detail Report

Title Downtown Manhattan

Date 1967

Primary Maker Richard Welling

Medium Drawing; black marker on paper

Description Drawing of the Financial District of Manhattan, with a construction site in the foreground on the right, with machinery and construction workers depicted, and pedestrian traffic on the sidewalk. Behind it are low-rise buildings, some with water towers on their roofs, and behind those are 20 Exchange Place and 70 Pine Street (with spire). Other, unidentified buildings are shown.

Dimensions Sheet (height x width): 17 x 23 1/2in. (43.2 x 59.7cm)
