Basic Detail Report

Title Decorative Ring

Primary Maker Julia Wightman Starr

Medium metal, enamel

Description Very thin metal ring with Egyptian-style design on either side of the flat decorative piece at the top. The deocrative piece is a rectangle with a white circle flanked by two gold star in a field of black. One side of the ring has separated where the weld broke. Given to Julia Wightman Jerome by Julia Wightman when she was a little girl. Came from the donor in a box marked C.C. Bliss, Jeweler, Norwich, Ct. along with the cross.

Dimensions Primary Dimensions: (Diameter) 3/4in. (1.9cm)
