

Basic Detail Report

Title Victorian Village

Date circa 1895

Primary Maker Grace Bigelow

Medium lithograph on paper, on card board, metal

Description Colorful lithographed three-dimensional village with houses, a church, a school, a florist shop, trees, animals, people and landscaping. Roofs are separate from the buildings and serve to lock the sides in place. Individual items such as trees and people are supported by oval metal clips. Accompanied by a painted floor map with locations noted for each of the buildings described above.
