Description View of men and horse-drawn wagons on a street. Two men wearing hats stand in the middle of the dirt street. One man has a rifle at his side, the other man has a United States flag that is blurred from motion, he appears to be wearing something around his neck. To the left, two horses pull a wagon that is piled with furniture, including armchairs, a chest of drawers, and a mirror, or looking glass. In the background are more men standing on the sidewalk, and other horse-drawn wagons. Houses line the street, and some trees are visible.
