Description (.5) Black and white photograph of two women standing on a lawn in front of a tall bush or vine in front of a house. Both women are wearing printed cotton dresses and both have glasses. Their hair is drawn back from their faces. (.6) Black and white photograph of two women in front of a tall bush with another bush behind and what could be iris leaves to the left. To the right of the women is just a portion of a male figure. The woman on the left is wearing a printed dress and glasses. The woman on the right is younger, is wearing what appears to be a plain white or light colored dress and has her arms linked through the arms of the man and woman beside her. At the top right edge of the picture is the shadow of a pair of feet from another image or poor processing.
