

# Basic Detail Report

## **Title House at 28 Winchester Street, Norwich**

Date 1880-1899

Primary Maker Charles Billings Chapman

Medium albumen print on board

Description Photograph of two houses along a city street. The main subject of the photograph is a cottage identified as 28 Winchester Street, Norwich, Connecticut. It has gingerbread trim around the gable end toward the street, second floor windows with an arch, and large windows on the ground floor. There is an ell off the back behind a small porch evidently covering the main entrance. The house on the right is also gable end to the street and is behind a picket fence.

Dimensions Primary Dimensions: (Height)  $5 \frac{1}{4} \times$  (Width)  $4 \frac{1}{4}$ in. ( $13.3 \times 10.8$  cm)
