Basic Detail Report

Title Miniature Print, Doll House Furnishings

Medium paper; glass; metal; paint; cord

Description A miniature chromolithograph that is meant to hang in the living room of a doll house. Print is a scene of a villa and tall trees on a coastline with reflections in the water. Distant mountain on viewer's left. Backing is a pale green paper. The frame is a plain, gold, painted frame with two rings at the top. A green cord is attacched to the rings, which is used to hang the print.

Dimensions Primary Dimensions (overall height x width): 1 15/16 × 2 3/4in. (4.9 × 7cm)
