

# Basic Detail Report

**Title World War I Medal**

Date about 1919

Primary Maker Dr. Reynold Webb Wilcox

# Basic Detail Report

Medium Bronze, textile

Description A medal awarded by the State of New York for service in World War I.

A bronze medal suspended from a blue and white striped ribbon. On the front of the medallion are relief images of a soldier and an angel with "WORLD WAR" inscribed at the top. On the reverse side is a wreath of oak and laurel leaves surrounding the text in the center. Banners on the leaves identify the countries involved in the war. Awarded to Dr. Reynold Webb Wilcox.

Dimensions Primary Dimensions (length x width): 2 1/2 × 1 1/2in. (6.4 × 3.8cm)
