Words of Praise from a customer who has used our **Model Hog Fence.** The "Model Hog Fence" which we recently ordered from you has arrived, put up and in use. Justice compels us to say that it more than meets our expectations It is cheap, easily built, strong, and seems indestructable.
Yours truly, J. C. SMITH & SON, Sheffield, Mass.

Why we don't mail samples of **M. M. S. Poultry Fencing,** because a small sample cannot show the Cable Selvage and the Cable that runs through the entire length of the Fence, every foot in height. It is composed of 3 sizes of mesh, they they cannot all be shown in one piece of suitable size for mailing.
Respectfully, JAMES S. CASE. (OVER)
