REFUGEE ASSISTANCE CENTER

The Refugee Assistance Center (RAC) at Jubilee House is a non-profit program that focuses on post-resettlement work with refugees located in Hartford, and surrounding areas.

Our program helps refugees with the everyday life challenges of a new beginning by making the transition as effortless as possible. We help refugees with many aspects of life such as: education, health issues, opening bank accounts, utilities, assistance enrolling in ESOL classes, DMV-registrations, DSS applications and follow-ups, employment related issues, transportation, green card and citizenship application assistance, interacting with the state of CT on the refugees behalf, etc.

Our mission is to provide an accessible American friend refugees can always trust to help them and guide them in building a new home away from home.

We celebrate diversity, culture, tradition, and compassion everyday.

Come and join us and let's make our city a better place for us all.
