September 1999

Between 6:00 p.m. and 7:30 a.m., 7 days a week, . . . 269 days a year*, any person with a valid Yale ID card can obtain free transportation on the Yale MINIBUS from Yale buildings to residences, from residences to Yale buildings within the service boundaries. ** We do not provide residence to residence service. Spousal passes are available at \$25.00 per academic year or \$35.00 per full year. The SML/SLB and Railroad shuttles do not run during the summer and recess periods.

Due to weather or traffic conditions buses may run a few minutes early or late. It is recommended that all passengers arrive at designated bus stops in advance of scheduled times.

THERE ARE TWO WAYS TO USE THE MINIBUS:

- 1. Scheduled Route Pick-Up Stops:**
Go to one of the stops listed on the schedule and wait for the next Minibus. ** A bus passes each stop every 15 minutes.
- 2. Off route Pick-Ups:**
If you cannot safely go to one of the listed stops, call 432-6330. The dispatcher will radio one of the buses to go off route and pick you up. If you require an escort to the nearest pick-up point, the University Security Program is available from 6:00 p.m. to 2:30 a.m. The number to call is 432-WALK.

Please note: The drivers will not let you board at an unscheduled stop unless instructed by the dispatcher. You must show first.

*This Minibus does not run on Thanksgiving Day, Christmas Eve, Christmas Day, New Year's Eve, New Year's Day and July 4th or the day of National Observance.

**See reverse side for a map of the scheduled pickups and off route boundaries.

Comments and/or concerns about service should be directed to **Dennis Bigler, Minibus Supervisor @ 432-6330** (M-F, 4 p.m.-12 midnight) or **Joan Carroll, Manager of Parking & Transit @ 432-9790** (M-F 8 a.m.-4 p.m.), or by e-mail to Joan.Carroll@yale.edu.
