# Basic Detail Report

Description (a) Interview with Cara Turner. Interviewed by Peter Moran on

August 22, 2022 at Otis Library, 261 Main Street, Norwich. (b) Photograph of Cara

Turner taken at her interview. She was interviewed as part of the Connecticut

Historical Society's Community History Project discussing her experience during

the COVID-19 Pandemic. Cara Turner's family has lived in Norwich for

generations. In her interview, Cara spoke at length about her community and

family. She is involved in multiple amateur sports leagues in Norwich, and

described what it was like during the COVID-19 pandemic. She supported mask

and vaccine mandates. Cara also spoke at length about Black Lives Matter and

her perspective on racism and raising Black children. Cara discussed mental

health and the stigma against mental health in the Black community.
