Title Industrial building demolition

Date 1970-1989

Primary Maker Charles Reich

Medium Photography; platinum on paper

Description Photograph of a demolition site, with small piles of building rubble in the foreground. A low-rise industrial building appears to share a wall with the one being demolished, and a mid-rise warehouse or factory is behind that, with a billboard on its roof. On the right, there is a building with a stepped parapet wall and a bell tower.
