

Basic Detail Report

Title Yachts at Smith Estate, Sound View

Date 1917

Medium Photography; nitrate negatives

Description Black and white photographic negative, two yachts, one small and one large, in front of a sea wall in Sound View, near Stamford, Connecticut. The larger yacht, KEMAH, and the smaller unnamed vessel, were owned by a Mr. Smith of New York City, for whom the Beattie Quarry built the granite sea wall. The yachts are pictured before the U. S. Navy used the boats for harbor patrol due to World War One.
