

Basic Detail Report

Title Florence Alicia and Eustace Chester Chapman

Date about 1860

Primary Maker Eustace Chester Chapman

Medium Ambrotype; collodion on glass with dark backing layer in brass window
mat package in thermoplastic case. Embossed purple velvet pad in other side of
open case

Description Ninth-plate ambrotype of siblings Florence Alicia Chapman and
Eustace Chester Chapman. They are probably in their teens. The details are
difficult to make out because the backing layer that reverses the image is too
light in color.
