photographer Frank Lorenzo with typed caption. Caption: HFP093001-9/30/60-

GROTON, CONN.: The dock is empty during the second commissioned of the

nuclear powered submarined Seawolf at Groton, 9/30. Rain drove the speaking

part of the ceremony indoors as the personal [personnel] aboard the Seawolf

received orders to raise flags by telephone. The Seawolf, the Nation's second

atomic sub, was decommissioned for replacement of it's reactor. UNITED PRESS
